Our Pledge

We guarantee your total satisfaction with your event.

If for any reason you are not completely satisfied with our product and service, we will happily replace the item or refund your money.

Event Planning Guidelines

Planning Your Event

The menu selections and services in this guide are the most frequently requested, and represent merely a sampling of what we can do. Whether you are planning a simple gathering or a special event, we'll be happy to help you with the arrangements.

Room reservations are the responsibility of the requestor. Room preparation and set up may take up to an hour to complete, so please schedule rooms accordingly.

We also cater outside meetings and Weddings

Placing Your Order

Please help us help you by providing at least 48-hour advance notice for food orders, and 36-hour notice for snacks and beverages. We will make every effort to accommodate orders with less notice, but may need to restrict the menu to product on hand. Special orders and events with a large number of guests require as much notice as possible. It is extremely helpful if, at the time of booking your event, you are prepared to share the following information: type of event with service needs (served/buffet, drop off/waited, etc.); approximate numbers of guests; time & location of event; **billing arrangements – department number or billing method is required at the time the catering is ordered;** and any other special arrangements you need us to know. *Same day orders may be subject to a 5% surcharge.*

Guarantee & Billing Policies

To professionally prepare for each guest, we require that you guarantee the number of guests attending your event at least 24 hours in advance. Events will be billed at the guaranteed number or the actual number served, whichever is greater. All delivered events will be subject to a \$8.00 minimum charge.

Due to our advance preparation, cancellations must be made at least 24 hours in advance. Shorter notices may result in charges of up to 100% of the original order.

Additional Services

There may be an added labor charge for events scheduled to begin before 7:00 a.m. or after 5:00 p.m., or on days when school is not in session, such as weekends, holidays, and vacation breaks. All services will be set up with paper and plastic ware unless otherwise specified. China and linen service is available at an additional cost.

Flowers and/or special decorations can be provided for an additional charge as well. Special equipment rental or professional attendants are available at an additional rate with 72 hour notice.

“Healthy Choice” selections are easy to spot. This logo marks items which are nutritional winners, generally low in fat and sugars.
